

Curriculum Vitae

Name: Irene Chatoor, M.D.

Office Address: Children's National Medical Center

EDUCATION AND TRAINING:

1959-1965 Combined Premedical and Medical School
University in Erlangen and University in Heidelberg, Germany

March 1965 Awarded M.D. Magna Cum Laude
Ruperto-Carola University, Heidelberg, Germany

1965-1967 Two years of Rotating Internship, Heidelberg University Hospital,
Kassel City Hospital, Amberg City Hospital, Germany

1967-1968 Resident in Pediatrics
Amberg City Hospital, Germany

1/69-6/69 House Officer in Psychiatry

General Hospital, Port of Spain
Trinidad, West Indies

7/69-6/70

Rotating Internship
Providence Hospital
Washington, D.C.

7/70-6/72

Resident in Pediatrics
Children's Hospital
Washington, D.C.

7/72-7/74

Resident in Adult Psychiatry
The George Washington University Medical Center
Washington, D.C.

9/74-8/76

Fellow in Child Psychiatry
Children's Hospital
Washington, D.C.

EMPLOYMENT:

9/75-6/79

Community Psychiatry and School Consultation
Community Mental Health Center, Area B
Washington, D.C.

11/76-6/86

Part-time Private Practice
6201 Greenbelt Road, Suite M-18
College Park, MD

7/78-6/79

Part-time Coordinator of Training of Pediatric Residents and Medical
Students in Child Psychiatry
Children's National Medical Center
Washington, D.C.

9/78-6/79

Part-time Psychiatric Consultant to Mark Twain School
Therapeutic Day School for Adolescents
Montgomery County, MD

7/79-12/80

Part-time Staff Psychiatrist in Department of Adolescent Medicine
Children's National Medical Center
Washington, D.C.

1/81-6/81	Director of Inpatient Psychiatry Children's National Medical Center Washington, D.C.
7/81-6/86	Director of Consultation and Liaison Department of Psychiatry Children's National Medical Center Washington, D.C.
7/85-6/90	Psychiatric Director of Psychosomatic and Eating Disorders Program Children's National Medical Center Washington, D.C.
7/90-12/00	Director of Infant Psychiatry Children's National Medical Center Washington, D.C.
6/96-9/98	Vice Chair of Department of Psychiatry Children's National Medical Center Washington, D.C.
10/98-9/99	Interim Chair of Department of Psychiatry Children's National Medical Center Washington, D.C.
9/99-Present	Vice Chair of Department of Psychiatry Children's National Medical Center Washington, D.C.
1/01-Present	Director of the Infant and Toddler Mental Health Program Children's National Medical Center Washington, D.C.

Academic Appointments:

1/76-6/79	Clinical Instructor The George Washington University School of Medicine and Health Sciences, Washington, D.C.
5/79-6/85	Assistant Clinical Professor of Psychiatry and Behavioral Sciences and of Child Health and Development The George Washington University School of Medicine and Health Sciences, Washington, D.C.
7/85-6/86	Associate Clinical Professor of Psychiatry and Behavioral Sciences and of Child Health and Development The George Washington University School of Medicine and Health Sciences, Washington, D.C.
7/86-6/94	Associate Professor of Psychiatry and Behavioral Sciences and of Child Health and Development The George Washington University School of Medicine and Health Sciences, Washington, D.C.
7/94-7/00	Professor of Psychiatry and Behavioral Sciences and Associate Professor of Pediatrics The George Washington University School of Medicine and Health Sciences, Washington, D.C.
7/00-Present	Professor of Psychiatry and Behavioral Sciences and of Pediatrics The George Washington University School of Medicine and Health Sciences, Washington, D.C.

PROFESSIONAL REGISTRATIONS, LICENCES, CERTIFICATIONS :

Medical Licenses:

1967	Federal Republic of Germany
1973	District of Columbia
1976	State of Maryland

Board Certifications:

- 1976 Diplomat of the American Board of Pediatrics
- 1980 Diplomat of Psychiatry, American Board of Psychiatry and Neurology
- 1983 Diplomat of Child Psychiatry, American Board of Psychiatry and Neurology

SOCIETIES AND HONORS:

Membership in Professional Societies:

- American Psychiatric Association
- American Academy of Child and Adolescent Psychiatry
- American Medical Association
- World Association for Infant Mental Health
- Eating Disorders Research Society
- American Academy for Eating Disorders

Honors:

- 1965 Awarded MD magna cum laude by the Ruperto-Carola University, Heidelberg, Germany
- 1990 Who's Who in America, Marquis Directory of Medical Specialty
Who's Who Among Human Services Professionals
Who's Who in Medicine
- 1996 Who's Who in the World
- 1999 Woman of the Year, nominated by the American Biographical Institute, USA
- 1999 Plaque for many years as clinician, mentor, researcher, and interim chair, presented by the Department of Psychiatry and Behavioral Sciences at Children's National Medical Center
- 2000 2000 Outstanding Intellectuals of the 20th Century, nominated by the International Biographical Center, Cambridge, England

- 2000 International Who's Who of Professional and Business Women Hall of Fame selected by the American Biographical Institute
- 2001 2000 Outstanding Intellectuals of the 21st Century, nominated by the International Biographical Center, Cambridge, England
- 2002 Life Member of the National Registry of Who's Who
- 2005 America's Top Psychiatrists 2004-2005, Consumers' Research Council of America
- 2006 Outstanding Mentor Award, presented by the American Academy of Child and Adolescent Psychiatry
- 2007 America's Top Psychiatrists 2007, Consumers' Research Council of America
- 2008 Salute to Greatness Award by International Biographical Centre, Cambridge, England
- 2009 America's Top Psychiatrists, Consumers' Research Council of America
- 2009 Marquis Who's Who in the World
- 2009 Presidential Who's Who
- 2010 International Peace Prize, United Cultural Convention – Nominee
- 2010 Medal of Wisdom, International Biographical Centre – Nominee
- 2010 Great Mind's of the 21st Century, American Biographical Institute – Nominee
- 2010 Top 100 Health Professionals, International Biographical Centre – Nominee
- 2010 Cambridge Who's Who Registry among Executive and Professional Women
- 2010 Marquis Who's Who in the World
- 2011 Hall of Fame, American Biographical Institute – Nominee
- 2011 Marquis Who's Who in Science and Engineering
Marquis Who's Who in the World
Marquis Who's Who in America
Marquis Who's Who in Medicine and Healthcare

- 2011 Nominated Woman of the Year, The American Biographical Institute Board of International Research
- 2012 Top 100 Scientists 2012 , International Biographical Centre, Great Britain
2000 Outstanding Intellectuals of the 21st Century, IBC Great Britain
Marquis Who's Who in the World
Marquis Who's Who in America
- 2013 Cambridge Certificate of Outstanding Achievement, The International Biographical Center, Great Britain
Woman of the Year, The International Biographical Center
Lifetime Achievement Award, The International Biographical Center
Marquis Who is Who in America
Marquis Who is Who in the World
America's Top Psychiatrists, Consumers' Research Council of America
- 2014 Marquis Who is Who in America
Marquis Who is Who in the World
2000 Outstanding Intellectuals in the 21st Century, nominated by International Biographical Center , Cambridge, England
The International Hippocrates Award for Medical Achievement, nominated by International Biographical Center , Cambridge, England
- 2015 Marquis Who is Who in America
Marquis Who is Who in the World
The International Hippocrates Award for Medical Achievement
2000 Outstanding Intellectuals in the 21st Century
Top 100 Scientists
Top 100 Health Professionals
International Biographical Center, Cambridge, England
- 2016 The Isaac Newton Legacy of Honor Award
International Biographical Center, Cambridge, England
- 2017 World Leader of the Sciences – 2017 –
Top 100 Health Professionals - 2017 –
International Biographical Center, Cambridge, England
- 2018 Pinnacle Professional Member - Continental Who is Who
Presidential Award – Universal Publishing
Distinguished Alumni – Carrington Publisher

ADMINISTRATIVE DUTIES & UNIVERSITY ACTIVITIES:

- 1/81-6/81 Director of Inpatient Psychiatry
Children's National Medical Center
Washington, D.C.
- 7/81-6/86 Director of Consultation and Liaison
Department of Psychiatry
Children's National Medical Center
Washington, D.C.
- 7/85-6/90 Psychiatric Director of Psychosomatic and Eating Disorders Program
Children's National Medical Center
Washington, D.C.
- 7/90-12/00 Director of Infant Psychiatry and Eating Disorders Program
Children's National Medical Center, Washington, D.C.
- 6/96-9/98 Vice Chair of Department of Psychiatry
Children's National Medical Center
Washington, D.C.
- 10/98-9/99 Interim Chair of Department of Psychiatry
Children's National Medical Center
Washington, D.C.
- 9/99-Present Vice Chair of Department of Psychiatry
Children's National Medical Center
Washington, D.C.
- 1/01-Present Director of the Infant and Toddler Mental Health Program
Children's National Medical Center
Washington, D.C.

Committee Service:

- 1988-1990 Member of the Program Committee of the American Academy of Child
and Adolescent Psychiatry
- 1990-1992 Member of the Internal Review Board for Research
Children's National Medical Center
Washington, D.C.
- 1994-1997 Reviewer for the Research Study Section of Children's Research Institute

	Children's National Medical Center Washington, D.C.
1995- 2008	Member of the Preschool Committee of the American Psychiatric Association
1997-2000	Member of the Program Committee of the American Academy of Child and Adolescent Psychiatry
1998-2000	Departmental Medical Records Committee Children's National Medical Center Washington, D.C.
2003-2006	Chair of the Committee of Infancy and Early Childhood of the American Psychiatric Association
2003-2008	Member of the Council on Children, Adolescents, and Their Families of the American Psychiatric Association
2003-present	Member of the Infancy Committee of the American Academy of Child and Adolescent Psychiatry
2005-2007	Member of the Internal Review Board at Children's National Medical Center

EDUCATIONAL ACHIEVEMENTS:

New Courses or Programs Developed:

1986	Developed two teaching tapes on: <ol style="list-style-type: none"> 1. The Assessment of Feeding Disorders 2. A Developmental Classification of Feeding Disorders 100 copies of these tapes were sold nationally.
1993-Present	Taught core lectures on feeding disorders of infants and young children
1995- 2015	Developed annual course on Infant-Psychiatry for second year psychiatry residents.
2000	Developed two new teaching tapes: <ol style="list-style-type: none"> 1. A Classification of Feeding Disorders of Infants and Young Children 2. A Training Tape Manual and Rating Booklet for "How to Rate Mother-Infant Interactions with the Chatoor Feeding Scale"
2016	Developed a website on feeding disorders, limit setting, and how to do time-out

Students or post-doctoral fellows for whom I served as primary advisor:

- 1994 Maureen Lyon, member of Dissertation Committee for Ph.D. in Psychology at American University
- 1998 Bonita McClenney, member of Dissertation Committee for Ph.D. in Psychology at University of Maryland, College Park
- 1999 Maria McGee, primary advisor for ongoing work on dissertation for Ph.D. in Epidemiology and Biostatistics at The George Washington University
- 1999 Jody Ganiban, Ph.D., primary advisor for postdoctoral NIMH sponsored fellowship at CNMC
- 1999 Stephanie Tebor, member of dissertation committee for Ph.D. in Psychology at The George Washington University
- 2001 Hershita Saxena, M.D., Postdoctoral Research Fellow in Child Psychiatry
- 2008 Chiara Grava, Psychology Graduate Student from the University La Sapienza in Rome, Italy, research internship from March to September 2008
- 2009 Susanne Hommel, Psychologist from Hamburg, Germany, research internship from July to September 2009
- 2010 Catharina Ablasser, Psychology Graduate Student from Vienna, Austria, research internship from January to March 2010
- 2010 Stefania Sinesi, Psychology Graduate Student from the University La Sapienza in Rome, Italy, research internship from January to March 2010
- 2011/12 Maria McGee, MD, Richa Bhatia, MD, and Erin Fallucca, MD, research training from 2011 – 2012
- 2012/13/14 Venketa Sugnanam, MD, research fellow from India, Sept. 2012 – April 2014
Lauren O’Conner, undergraduate student from American University, Internship from September 2012 – May 2013
Anna Sykes, graduate student from American University Internship from August 2013 –April 2014
- 2014/15 Dana Vitriano, undergraduate student from American University, June 2014 – April 2015

Erini Nessim, MD, research fellow from Kuwait, September 2014 –August 2015
Paola Salvatori, PhD student from Italy, April 2015 – October 2015

- 2015 Mentor of Laura Brinkmeier’s doctoral project:” Infantile Anorexia: A review of the Literature and Treatment Study”, and member of the doctoral committee at the Graduate School of Professional Psychology, University of Saint Thomas, Minneapolis, Minnesota
- 2015/16 Lauren Webb, graduate psychology student from American University, Internship from September 2015 – August 2017
- 2016 Grace Cho, undergraduate student from Georgetown University, March 2016 to October 2016
- 2017 Mentor of Lauren Webb, graduate student at American University, of her research thesis: Exploration of Factors Contributing to the Development of a Childhood Feeding Disorder and member of her dissertation committee at American University, Washington, DC

Educational Awards:

- 1994 Golden Apple Award for devotion to teaching and mentorship presented by the psychiatry residents of CNMC
- 2006 Outstanding Mentor Award, presented by the American Academy of Child and Adolescent Psychiatry

CONSULTANT APPOINTMENTS AND RELATED ACTIVITIES:

- 9/75-8/76 Consultant to Infant Day Care Center
Parent and Child Center
Washington, D.C.
- 1988-1993 Reviewer for the Journal of the American Academy of Child and Adolescent Psychiatry
- 1989 Appointed as an Examiner for the American Board of Psychiatry and Neurology
- 1990 Special Reviewer for the Infant Mental Health Journal
- 1992/1993 Special Reviewer for the journal, "Psychiatry, Interpersonal and Biological Processes"

1993	Reviewer for the Journal of Child and Adolescent Psychopharmacology
1993-1996	Member of the Diagnostic Task Force. Diagnostic Classification of Mental Health and Developmental Disorders of Infancy and Early Childhood/Zero to Three/National Center for Clinical Infant Programs (unpaid)
1994	Consultant to the Hincks Training, Research and Resource Institute, Toronto, Canada for training of research staff in observation of mother-infant interactions during feeding and play (paid)
1995-1998	Mental Health Consultant, "Museum as a Resource," a parent involvement initiative under the auspices of the National Head Start Association in collaboration with The George Washington University, the Smithsonian Institute, the Council for Early Childhood Professional Recognition, and Children's National Medical Center, Washington, D.C. (unpaid)
2012 –present	Reviewer for the International Journal of Eating Disorders and for the Infant Mental Health Journal
2014 – present	Invited as coeditor of the International Journal of Eating Disorders
2014 – present	Invited reviewer for Pediatrics and the International Journal of Infant Mental Health

GRANTS AWARDED:

1. Awarded \$10,763 for the "Development of Observational Scales for Use with Mothers and their Infants/Toddlers during Feeding and Play" by the Research Advisory and Award Committee of Children's National Medical Center, Washington, D.C. Sept. 1984 and March 1987 (PI).
2. Awarded \$8,310 for the "Development of Age Specific Norms for the Observational Scales of Mother-Infant Interactions" by the Board of Lady Visitors at Children's National Medical Center, January 1986 (PI).
3. Awarded \$4,400 plus \$6,100 for the production of teaching tapes "A Developmental Classification of Feeding Disorders" and "Mother-Infant Interactions During Feeding" by the Board of Lady Visitors at Children's National Medical Center Dec. 1986 and Dec. 1987 (PI).
4. Awarded \$9,940 for the "Development of Observational Scales for Father-Infant Interactions During Feeding and Play" by the Board of Lady Visitors at Children's

- National Medical Center, Dec. 1987 (PI).
5. Awarded \$6,960 plus \$7,660 for the "Development of a Scale to Measure Somatopsychological Differentiation in Adolescents" by the Board of Lady Visitors at Children's National Medical Center on Dec. 1988 and Nov. 1989 (PI).
 6. Awarded \$6,644 for "The Relationship of Biogenetic Predisposition and Familial Characteristics to Adolescent Anorexia Nervosa" by the Board of Lady Visitors at Children's National Medical Center, Dec. 1988 (Co-Investigator).
 7. Awarded three year "Child and Adolescent Mental Health Academic Award" by the National Institute of Mental Health (NIMH) Aug. 1990 to July 1993 (\$343,749, PI, 80% effort).
 8. Awarded \$28,359 for ancillary research support of NIMH research award by the Discovery Fund's Chairman Reserve of Children's Research Institute, Nov. 1990.
 9. Awarded \$28,359 for ancillary research support of NIMH research award by the Discovery Fund's Chairman Reserve of Children's Research Institute, Nov. 1991 .
 10. Awarded \$1,218 for "The Study of Comorbidity of Bulimia in Adolescents" by the Board of Lady Visitors at Children's National Medical Center, Dec. 1991 (Co-Investigator).
 11. Awarded \$61,318.00 for two years by Discovery Fund of Children's Hospital for ancillary research support of NIMH's "Child and Adolescent Mental Health Academic Award", March 1993.
 12. Awarded two additional years of "Child and Adolescent Mental Health Academic Award" by the National Institute of Mental Health (NIMH), August 1993 (\$264,170, PI, 80% effort).
 13. Awarded \$36,012 for pilot research on Infantile Anorexia by the Children's Research Institute from July 1997 to June 1998 (PI, 20% effort).
 14. Awarded four and a half years grant support for a treatment study of Infantile Anorexia "Facilitating Internal Regulation of Eating" by the National Institutes of Mental Health (NIMH), December 1998 (\$1,135,008 direct cost, \$426,172 indirect cost, PI, 50% effort).
 15. Awarded four years of a minority supplement grant for Dr. Jody Ganiban, Sept. 1999 (\$210,984).
 16. Awarded \$13,350 for vagal tone testing of the "Physiological Reactivity and Regulation in Infantile Anorexia" by the Children's National Research Institute, July 2000.
 17. Awarded support for nutritional evaluations and psychological testing for Research Protocol: "The Investigation of the Diagnostic Classification and the Treatment of

Infantile Anorexia” through the General Clinical Research Center—Pediatric Satellite. Director Mendel Tuchman, October 2000, 3 years (\$2,302,132 direct cost, \$2,629,520 indirect cost).

18. Awarded \$150,000 for “A Follow-up Study of Children who were Treated as Toddlers to Facilitate Internal Regulation of Eating” by Abbott Nutrition, July 2009.

PRESENTATIONS:

Regional Presentations:

1. Chatoor, I. (1980), 1) Depression and suicide in adolescence 2) Provider attitudes. Interdisciplinary Health Training Workshop, Boston, MA.
2. Chatoor, I. (1982), A developmental approach to eating disorders. Seminar: Current Trends in Child and Adolescent Psychiatry. Peachford Hospital, Atlanta, GA.
3. Chatoor, I. (1982), 1) Diagnostic classification of eating disorders in infants and toddlers 2) Parent and child interactions in failure-to-thrive. National Workshop on Failure to Thrive, NIMH, Washington, D.C.
4. Chatoor, I. & Schaefer, S. (1983), A developmental approach to eating disorders. Workshop. Annual Conference of the Virginia Association for Infant Mental Health, Charlottesville, VA.
5. Chatoor, I. (1983), 1) A developmental approach to eating disorders. 2) Mother/infant interaction during feeding. Developmental Pediatrics Conference, Wilmington, DE.
6. Chatoor, I. (1985), Anorexia nervosa, dying to be thinner. College Days, University of Maryland, Baltimore, MD.
7. Chatoor, I. (1986), Feeding problems and failure-to-thrive: A developmental approach to diagnosis and treatment. Workshop. Spring Conference, Virginia Association for Infant Mental Health, Richmond, VA.
8. Chatoor, I. (1987), Feeding disorders in infants and toddlers. Grand Rounds. SUNY, Department of Psychiatry, Buffalo, NY.
9. Chatoor, I. (1987), The assessment of feeding disorders in infants and toddlers. One day workshop. Virginia Association for Infant Mental Health, Charlottesville, VA.
10. Chatoor, I. (1987), A developmental classification of feeding disorders in infants and toddlers. National Institute of Mental Health, Washington, D.C.

11. Chatoor, I. (1988), Eating disorders in children. Grand Rounds. Department of Pediatrics, Virginia Commonwealth University, Richmond, VA.
12. Chatoor, I. (1989), Eating disorders and other disorders of attachment in infants. Training Seminar. Virginia Treatment Center for Children and the Medical College of Virginia, Richmond, VA.
13. Chatoor, I. (1990), Infantile anorexia nervosa. Grand Rounds. Dept. of Child and Adolescent Psychiatry, Schneider Children's Hospital, Long Island, NY.
14. Chatoor, I. (1990), Eating disorders in infants. Training Seminar. Virginia Treatment Center for Children and the Medical College of Virginia, Roanoke and Fairfax, VA.
15. Chatoor, I. (1990), A developmental classification of eating disorders in infants and toddlers. Grand Rounds. Dept. of Child Psychiatry, University of Colorado, Denver, CO.
16. Chatoor, I. (1991), Infantile Anorexia. Grand Rounds. Department of Child Psychiatry, University of New Mexico, Albuquerque, NM.
17. Chatoor, I. (1991), Infantile versus adolescent onset of anorexia nervosa. Grand Rounds. Department of Psychiatry, George Washington University School of Medicine, Washington, D.C.
18. Chatoor, I. (1991), Food refusal in infants and young children: Differential diagnosis and treatment. Grand Rounds. Department of Pediatrics, George Washington University School of Medicine, Washington, D.C.
19. Chatoor, I. (1991), Feeding disorders of infants and young children. Lectures. Department of Special Education, George Washington University, Washington, D.C. and Department of Special Education, Prince George's County, MD.

Presented during a symposium entitled "Infant Psychiatry: 50 Years and Growing." Scientific Proceedings of the 50th Anniversary Meeting of the American Academy of Child and Adolescent Psychiatry, Miami Beach, FL.
32. Chatoor, I., Paez, L., Harrison, J., Surles, J., Beker, L., Simenson, R., & Hirsch, R. (2003), The reliability of diagnostic criteria for feeding disorders. Poster presented at the 50th Anniversary Meeting of the American Academy of Child and Adolescent Psychiatry, Miami Beach, FL.
33. Chatoor, I. (2003), Discussant of symposium entitled "Emotion regulation in young children: Clinical implications of new research," presented by DelCarmen-Wiggins, R., Eisenberg, N., Cole, P., Carrerra, R. & Clark, R. at the 50th Anniversary Meeting of the American Academy of Child and Adolescent Psychiatry, Miami Beach, FL.
34. Chatoor, I. (2004), Chair of Component Workshop, New classification of psychopathology of infants and young children, Participants were Anders, T.F., Siegel, D.J. & Thomas, J.M., 157th Annual Meeting of the American Psychiatric Association, New York, NY, May 1-6, 2004.

35. Chatoor, I. (2004), Chair of a symposium entitled, Early Diagnosis and Treatment: An Update on Psychopathology of Infants and Young Children, Participants were Thomas, J., Luby, J. & Wright, H., Head Start's 7th National Research Conference, Washington, D.C., June 28-July 1, 2004.
36. Chatoor, I. & Brinkmeier, L. (2004), There is more than one feeding disorder. Poster session presented at Head Start's 7th National Research Conference, Washington, DC, June 28-July 1, 2004.
37. Chatoor, I. (2004), Early diagnosis: Implications for treatment and prevention. Co-Chair with Jean Thomas, MD of a clinical practicum at the 51st Annual Meeting of the American Academy of Child and Adolescent Psychiatry, Washington, DC, October 19-24, 2004.
38. Chatoor, I., Ammaniti, M., Scheer, P., & Lucarelli, L. (2006), Chaired "An International Symposium on the Treatment of Feeding Disorders" and presented "Facilitating Internal Regulation of Eating in Toddlers with Infantile Anorexia", in San Diego, CA, October 24-29, 2006.
39. Chatoor, I., Thomas, J., & Glass, P. (2007), Co-Chaired a Component Workshop entitled, "Early Cognitive Development and Psychiatric Presentation: Implications for Etiologic Understanding and Intervention" and presented "Mother-Toddler Interaction during Feeding and Play and Cognitive Development", in San Diego, CA, May 19-24, 2007.
40. Chatoor, I., Ganiban, J., & Lucarelli, L. (2007), Gave workshop on "The Differential Diagnosis of Food Refusal in Infants and Young Children: Implications for Treatment" at the 54th Annual Meeting of the American Academy of Child and Adolescent Psychiatry, in Boston, MA, October 23-28, 2007.
41. Chatoor, I. (2007), Presented "A Classification of Feeding Disorders in Infants and Young Children: Clinical Presentation and Diagnostic Inter-Rater Agreement" at the Annual Meeting of the Eating Disorders Research Society, in Pittsburgh, PA, October 25-27, 2007.
42. Chatoor, I. (2007), presented "Infantile Anorexia and Sensory Food Aversions" at the Pediatric Feeding Management Steering Committee Meeting, in Wheeling, IL, November 19-20, 2007.
43. Chatoor, I. (2007), presented "Diagnostic Classification of Feeding Disorders in Infants and Young Children: Implications for Treatment" at the 22nd Zero to Three: National Training Institute, in Orlando, FL, November 29-December 2, 2007.
44. Chatoor, I. (2008), presented "Food Refusal of Infants and Young Children: Differential Diagnosis and Treatment" at the Zero to Three National Training Institute, in Los Angeles, CA, December 5-7, 2008.

45. Chatoor, I., Hirsch, R., Crosby, R., & Wonderlich, S. (2009). "Validation of a Diagnostic Classification of Feeding Disorders in Infants and Young Children". Eating Disorders: Classification and Diagnosis, sponsored by the National Institute of Mental Health (NIMH), Arlington, Virginia, March 16-17, 2009.
46. Chatoor, I. (2009). Invited by Abbott Nutrition to lecture and teach pediatricians from 20 different countries during "Regional Summit on the Identification and Management of Children with Feeding Difficulties", Miami Florida, June 22-23, 2009.
47. Chatoor, I. (2009), presented "Infantile Anorexia and Sensory Food Aversions: Differential Diagnosis and Treatment" at the Zero to Three National Training Institute, in Dallas, TX, December 4-6, 2009.
48. Chatoor, I. (2010). Invited by Abbott Nutrition to lecture and teach pediatricians from 19 different countries from Middle and South America, Spain, Canada, and Taiwan on "Studies of Infantile Anorexia" and "Practical Suggestions for Feeding and Limiting Setting" and "A Case Study of Infantile Anorexia and Sensory Food Aversions" during the Miami Summit, Miami, Florida, May 15-16, 2010.
49. Chatoor, I. (2010), Served as moderator at the Feeding Difficulties Roundtable on Track 1 - Nature vs. Nurture in the Evolution of Feeding Difficulties, in Arlington, VA, November 6, 2010.
50. Chatoor, I. (2011), Invited by Abbott Nutrition to lecture and teach pediatricians and gastroenterologists from 18 different countries from Central and South America, the Caribbean, Spain, Canada, and Taiwan on "Infantile Anorexia: Diagnosis and Treatment" and "Posttraumatic Feeding and Eating Disorders: The child who is afraid to eat" and "A Case Study of Infantile Anorexia" during the Miami Summit, Miami, Florida, April 30 and May 1, 2011.
51. Chatoor, I. (2011), presented at the Symposium for Pediatricians at the Zero to Three 25th National Training Institute on "Young children who refuse to eat or eat too much" in Washington, DC, December 11, 2011.

International Presentations:

1. Chatoor, I. & Menvielle, E. (1989), 1) A Developmental Classification of Feeding Disorders. 2) Mother-Infant Interactions During Feeding. Two teaching tapes presented at the International Congress for Infant Psychiatry and Allied Professions, Lugano, Switzerland.
2. Chatoor, I. (1990), Eating disorders in infants and young children: A developmental classification (Paper) "Crossing the Borders of Psychiatry," Joint Meeting of the American Psychiatric Association and the German Society of Psychiatry and Nervous

Disorders, Mainz, Germany, Abstract p.3.

3. Chatoor, I. (1993), 1) Assessment of mother-infant interactions during feeding and play. (Preinstitute). 2). Feeding disorders and failure to thrive (Workshop). Regional Meeting: "Infant Psychiatry in Central Europe," Graz, Austria.
4. Chatoor, I. & Benoit, D. (1996), Diagnosis and treatment of feeding disorders characterized by food refusal (Symposium). Sixth World Congress, World Association for Infant Mental Health, Tampere, Finland.
5. Chatoor, I. & Benoit, D. (1996), Diagnostic assessment of feeding disorders (Workshop). Sixth World Congress, World Association for Infant Mental Health, Tampere, Finland.
6. Chatoor, I. (1998), The differential diagnosis of feeding disorders in infants and young children. Keynote speaker at a Symposium on Feeding Disorders at the University of Rome—La Sapienza, Rome, Italy.
7. Chatoor, I. (1998), A posttraumatic feeding disorder: Diagnosis and treatment (Paper). International Congress for Child and Adolescent Psychiatry, Stockholm, Sweden.
8. Chatoor, I. (1999), A classification of feeding disorders of infants and young children (Lecture). Goethe University, Frankfurt, Germany.
9. Chatoor, I. (2000), Managing feeding problems in infants and toddlers with chronic renal failure. Invited speaker at the National Kidney Foundation Professional Councils Conference, Toronto, Canada.
10. Chatoor, I. (2000), A diagnostic classification of feeding disorders (Paper). 7th Congress of the World Association for Infant Mental Health, Montreal, Canada.
11. Chatoor, I. & Ganiban, J. (2000), Diagnosis, differential diagnosis and treatment of infantile anorexia (Workshop). 7th Congress of the World Association for Infant Mental Health, Montreal, Canada.
12. Chatoor, I., Harrison, J., Ganiban, J., Hirsch, R. (2000), A diagnostic classification of feeding disorders of infancy and early childhood (Poster). Annual Meeting of the Eating Disorders Research Society, Prien am Chiemsee, Germany.
13. Chatoor, I. (2001), Forced feeding in adolescents with anorexia nervosa (Lecture). Goethe University, Frankfurt, Germany, September 12.
14. Chatoor, I. (2002), A classification of feeding disorders. Invited key note speaker and discussant at conference, "Nutritional Disturbances During Infancy," at the Istituto Italiano di Studi Germanici and the Pediatric Hospital Bambino Gesù, Rome, Italy, April 22-23.

15. Chatoor, I. (2002), A classification of feeding disorders during infancy and early childhood. Grand Rounds at the Department of Psychiatry, University of Rome—La Sapienza, Rome, Italy, April 24.
16. Chatoor, I. (2003), Invited speaker: Consultation and Treatment of Families with Infants and Young Children with Feeding Disorders, at conference, It Takes Two To Tango: Early Childhood at the Crossover Between Assistance for Juveniles and Developmental Psychology, by the German Paritatischen Wohlfahrtsverband and the University Clinic for Child Psychiatry of Ulm, Berlin, Germany, May 14-16.
17. Chatoor, I. (2003), Feeding disorders of infants and young children (Workshop) at conference, It Takes Two to Tango: Early Childhood at the Crossover Between Assistance for Juveniles and Developmental Psychology, by the German Paritatischen Wohlfahrtsverband and the University Clinic for Child Psychiatry of Ulm, Berlin, Germany, May 14-16, 2003.
18. Chatoor, I. (2004), Feeding disorders in infants and young children: Diagnosis and Treatment (Training Institute), The Hospital for Sick Children, Toronto, Canada, May 17, 2004.
19. Chatoor, I. (2005), Keynote speaker: “The Influence of Parental Psychopathology in Infantile Anorexia”. Also gave a Training Institute on the Classification of Feeding Disorders at the European Congress in Athens, Greece, in September 2005.
20. Chatoor, I. (2005), Chaired a symposium, “Feeding Disorders: An International Discussion of Diagnosis and Treatment”, and a Consultation Breakfast on “Assessment, Diagnosis, and Treatment of Feeding Disorders of Infants and Preschool Children” at the Joint Annual Meeting of the American Academy of Child and Adolescent Psychiatry and the Canadian Academy of Child and Adolescent Psychiatry, in Toronto, Canada, in October 2005.
21. Chatoor, I. (2005), Invited to give a Three Day Training Institute on “The Diagnosis and Treatment of Feeding Disorders”, at the University of Munster, Germany, in November 2005.
22. Chatoor, I. (2006), Chaired a Component Workshop entitled, “From Diagnosis to Treatment of Infants and Young Children” and presented “Infantile Anorexia: From Diagnosis to Treatment”, at the American Psychiatric Association Annual Meeting in Toronto, Canada, May 2006.
23. Chatoor, I. (2007), Invited to present “A diagnostic classification of feeding disorders in infants and young children” at the University La Sapienza, in Rome, Italy on April 16, to give a “Special Research Seminar on Feeding Disorders” at the University La

Sapienza on April 17, and to give Grand Rounds on “The classification of feeding disorders” at the pediatric hospital Bambino Gesù in Rome on April 19. In addition, she presented “A diagnostic classification of feeding disorders in infants and young children” at the Research Institute in Pisa, Italy on April 20, 2007.

24. Chatoor, I. (2007), Invited to present “Feeding Disorders in Infants and Young Children: Diagnosis and Treatment” at the Shanghai International Pediatric Neurology and Psychiatry Forum in Shanghai, China, November 3-4, 2007.
25. Chatoor, I. (2008), Presented a poster on “Diagnosis, Differential Diagnosis and Comorbidity of Infantile Anorexia and Sensory Food Aversions” at the 14th Annual Meeting of the Eating Disorders Research Society (EDRS) in Montreal, Canada, September 25-26, 2008.
26. Chatoor, I. (2008), Invited to present a Three Day National Workshop on “The Diagnosis, Classification, and Treatment of Feeding Disorders”, at the City Hospital in Munich, Germany, on November 7-9, 2008.
27. Chatoor, I. (2009), Invited by Abbott Nutrition to teach pediatricians and gastroenterologists from 13 different Asian and Middle Eastern countries at a “Regional Summit on the Identification and Management of Feeding Difficulties” in Singapore, May 11-12, 2009.
28. Chatoor, I. (2009), Invited by Abbott Nutrition to lecture to pediatricians on “Parent-Child Interactions in Children with Feeding Difficulties” in Vietnam and Indonesia, May 13-16, 2009.
29. Chatoor, I. (2009), Invited by Abbott Nutrition to lecture to pediatricians “Resolving Negative Parent-Child Interactions in Children with Feeding Difficulties” in Mexico City, Mexico, June 24, 2009.
30. Chatoor, I. (2010), Invited by Abbott Nutrition to lecture at the “Panama Summit on Identification and Management of Children with Feeding Difficulties”. Lectured on “The Effects of Parent-Child Interactions in Young Children with Feeding Difficulties” and presented a “Case Study on Infantile Anorexia” in Panama City, Panama, February 20-21, 2010.
31. Chatoor, I. (2010), Invited for two weeks as a visiting professor by the University of Cagliari to lecture on “The Diagnostic Classification of Feeding Disorders”, “Children with Autism Spectrum Disorders”, “The Diagnosis and Treatment of Feeding Disorders” in Cagliari, Island of Sardinia, Italy, March 15-29, 2010.
32. Chatoor, I. (2010), Invited to speak at the University La Sapienza on “The Differential Diagnosis and Treatment of Feeding Disorders Characterized by Food Refusal” in Rome, Italy, March 19, 2010.

33. Chatoor, I. (2010), Invited to speak at the International Telematic University on “The Child Who is Afraid to Eat: A Posttraumatic Feeding Disorder” in Rome, Italy, March 22, 2010.
34. Chatoor, I. (2010), Invited by Abbott Nutrition to lecture pediatricians and gastroenterologists from 19 different countries in Asia and the Middle East on “Principles and Practices that Foster Positive Feeding Behaviors in Young Children”, “Recent Clinical Updates on Children Who Have Limited Appetite and Who are Fundamentally Vigorous”, and “Practical Suggestions for Feeding and Limit Setting” at the Hong Kong Summit in Hong Kong, China, April 16-18, 2010.
35. Chatoor, I. (2010), Invited by Abbott Nutrition to speak to pediatricians from Hong Kong on “Principles and Practices that Foster Feeding Behaviors in Young Children” in Hong Kong, China, April 19, 2010.
36. Chatoor, I. (2010), Invited by Abbott Nutrition to speak at the Annual Pediatric Conference on “Principles and Practices that Foster Positive Feeding Behavior in Young Children” in Manila, Philippines, April 20, 2010.
37. Chatoor, I. (2010), presented at the 1st Symposium of Feeding Disorders in Children on “Recent Clinical Updates on Children Who Have Limited Appetite and Are Fundamentally Vigorous (Infantile Anorexia)” in Dominican Republic, September 11, 2010.
38. Chatoor, I. (2011), Invited by Abbott Nutrition to lecture at the 3rd International Summit on the Identification and Management of Children with Feeding Difficulties. Lectured on “Infantile Anorexia: Diagnosis, Natural Course, and Treatment”, “Posttraumatic Feeding and Eating Disorders: The child who is afraid to eat”, and “A Case presentation of Infantile Anorexia” in Mumbai, India, March 12-13, 2011.
39. Chatoor, I. (2011), presented “A diagnostic classification of feeding disorders at the book opening of my book, “Diagnosis and Treatment of Feeding Disorders in Infants, Toddlers, and Young Children”, which was translated into Vietnamese in Ho Chi Minh City, Vietnam, March 15, 2011 and in Hanoi, Vietnam, March 16, 2011.
40. Chatoor, I. (2011), presented at the Indonesian Summit on the Identification and Management of children with Feeding Difficulties. Lectured on “Infantile Anorexia: Differential Diagnosis. Natural Course, and Treatment” in Jakarta, Indonesia, March 19, 2011.
41. Chatoor, I. (2011), presented at the Symposium on Feeding Difficulties on “Recent updates on children who have a limited appetite and are fundamentally vigorous (Infantile Anorexia)” and “Practical suggestions for feeding and limit setting” in Port of Spain, Trinidad, West Indies, May 7, 2011.

42. Chatoor, I. (2011), presented at the Annual Meeting of the European Society of Pediatric Gastroenterology with Dr. Benny Kerzner (Gastroenterology) on “The child who won’t eat and does not grow: Responding to the clinical challenge” in Capri, Italy, May 27, 2011.
43. Chatoor, I. (2011), Gave a 3-day workshop on the Diagnosis and Classification of Feeding Disorders in Munich, Germany, June 3-5, 2011.
44. Chatoor, I. (2011), presented at the Annual Meeting of the Eating Disorders Research Society on “Infantile Anorexia treated during early childhood: 5-10 years later” in Edinburgh, Scotland, September 22-24, 2011.
45. Chatoor, I. (2012), Invited by Abbott Nutrition to lecture at the 4th International Summit on the Identification and Management of Children with Feeding Difficulties for pediatricians and gastroenterologists from 12 Middle Eastern and Asian countries. Lectured on “How to help parents be their best”, “Long-term implications of the treatment of Infantile Anorexia”, “Presentation of a case study: A child with Infantile Anorexia and Sensory Food Aversions” and gave a press interview on “Feeding Disorders in Young Children” in Kuala Lumpur, Malaysia, March 20-25, 2012.
46. Chatoor, I. (2012), Invited by Abbott Nutrition to lecture at the 4th International Summit on the Identification and Management of Children with Feeding Difficulties for pediatricians and gastroenterologists from Brazil, neighboring countries, and from Spain. Lectured on “How to help parents be their best”, “Long-term implications of the treatment of Infantile Anorexia”, “Presentation of a case study: A child with Infantile Anorexia and Sensory Food Aversions” and gave a press interview on “Feeding Disorders in Young Children” in Rio De Janeiro, April 28 – May 2, 2012.
47. Chatoor, I. (2012), Invited by Abbott Nutrition to lecture to pediatricians from Costa Rica and neighboring countries on “How to help parents be their best” in San Jose, Costa Rica, May 4, 2012.
48. Chatoor, I. (2013), Invited by Abbott Nutrition to lecture at the International Summit on the Identification and Management of Children with Feeding Difficulties for pediatricians and gastroenterologists from Turkey and other Middle Eastern countries. Lectured on “How to help parents be their best”, “Facilitating Internal Regulation of Eating”, participated in a multidisciplinary case discussion of a child with Infantile Anorexia and Sensory Food Aversions. Istanbul, Turkey Feb. 16 – 17, 2013.
49. Chatoor, I. (2013), Invited by Abbott Nutrition to lecture at the 5. International Summit on the Identification and Management of Children with Feeding Difficulties for pediatricians and gastroenterologists from Brazil and other South and Central American countries. Lectured on “Limit Setting and Time Out for Young Children”,

“Young Children Who Eat Too Much”, “Feeding and Early Development”, and participated in a multidisciplinary case discussion of a child with a complex feeding disorder. Sao Paulo, Brazil, March 8 – 9, 2013

50. Chatoor, I. (2013), Invited by Abbott Nutrition to lecture at the 5th International Summit on the Identification and Management of Children with Feeding Difficulties for pediatricians and gastroenterologists from Vietnam and other Asian countries. Lectured on “Limit Setting and Time Out for Young Children”, “Young Children Who Eat Too Much”, “Feeding and Early Development”, and participated in a multidisciplinary case discussion of a child with a complex feeding disorder. Participated in the opening of the Vietnamese translation of my book on feeding problems and lectured to 600 parents on “How to help their children with feeding problems”. Gave a press conference on feeding problems in young children. Ho Chi Minh City, Vietnam, April 20 – 21, 2013
51. Chatoor, I. (2013), Invited to give a 2 day workshop on “The Treatment and Prevention of Feeding Disorders in Young Children”. University of Muenster, Germany, June 24 -25, 2013
52. Chatoor, I. (2014) Chaired Symposium: Assessment, treatment and longitudinal course of Infantile Anorexia and presented: A 5-10 years follow-up of toddlers treated for Infantile Anorexia. 14th World Infant Mental Health Congress , Edinburgh, Scotland, June 14 -18, 2014
53. Chatoor, I. (2014) Presented: Feeding and Eating Disorders in Infancy and Childhood at the Seminario Scientifico Internazionale on “Feeding and Eating Disorders in Infancy and Childhood” at the University La Sapienza, Rome, Italy, June 23, 2014.
54. Chatoor, I (2014) Presented at a 3-day workshop on the Assessment of Mother-Infant/Toddler Interactions with the Chatoor Feeding Scale at the University La Sapienza in Rome, Italy, June 25-27, 2014.
55. Chatoor, I (2014) Invited by Abbott Nutrition International to lecture in Guatemala City to Pediatricians on Feeding Disorders in Infancy and Early Childhood and to give a presentation on feeding disorders to parents with the introduction and signing of the Spanish translation of my book “When your child won’t eat or eats too much”, on September 20 and 21, 2014.
56. Chatoor, I. (2017) Invited to give workshop in German: Vom Frust beim Essen zur Lust am Essen: Fruhkindliche Futterstorungen, Diagnostik und Behandlung (From Conflict to Joy during Meals: Feeding Disorders in Young Children, Diagnosis and Treatment). Berlin, September 22 – 24, 2017.

Prof. Irene Chatoor
