30 March 2026

To Whomever It May Concern,

This document is to certify that the World Precision Instruments LLC (WPI) product part numbers:

Part No.	Description
EVM-MT-03-02	EVOM™ Manual for TEER Measurement
EVM-EL-03-03-01	STX4 EVOM™ Electrode with Removable Blades

Which are under the consideration of purchase, are designed and are solely and exclusively manufactured by World Precision Instruments LLC of Sarasota FL USA.

The listed items above are exclusively distributed in Italy via our German office World Precision Instruments Germany GmbH.

Yours faithfully

Andy Waldes
